Highlights

DVD, DVD+/-RW, (S)VCD, CD

The Philips Portable DVD player is compatible with most DVD and CD discs available in the market. DVD, DVD+/-R, DVD+/-RW, (S)VCD, and CD – all of them can play on the DVD player. DVD+/-R is a shorthand term for a DVD drive that can accept both of the common recordable DVD formats. Likewise, DVD+/-RW handles both common rewritable disc types.

MP3-CD, CD and CD-RW playback

MP3 is a revolutionary compression technology by which large digital music files can be made up to 10 times smaller without radically degrading their audio quality. A singe CD can store up to 10 hours of music.

USB connection

Simply plug in your portable USB device to the USB connector on your Philips portable DVD player and playback your digital videos, music or photos directly. Now you can share your favorite moments with family and friends.

Smart Car Mount

To enjoy entertainment on the go, why not bring your portable DVD player from home on the road with you? A unique Car Mount system ensures ease-of-use, with a quick-release arm that facilitates easy removal of the player when not in use. You can bring the portable DVD player with you, leaving just the Mount behind in the car.

DivX Certified

With DivX® support, you are able to enjoy DivX encoded videos and movies from the Internet, including purchased Hollywood films. The DivX media format is an MPEG-4 based video compression technology that enables you to save large files like movies, trailers and music videos on media like CD-R/RW and DVD recordable discs, USB storage and other memory cards for playback on your DivX Certified® Philips device.

Power Resume

The DVD-Video player remembers where you stop watching last time when it is powered off directly or when the power supply discontinued. If you did not switch to play another disc, your player will resume play where you have stopped the movie last time just by reloading the disc. Making your life a lot easier!

Specifications

Product dimensions
- Product dimensions (W x H x D): 19,5 x 375 x 15,4 cm
- Weight: 0,619 kg

Outer Carton
- Outer carton (L x W x H): 24,5 x 22,5 x 27 cm
- Nett weight: 3,09 kg
- Gross weight: 3,93 kg
- Tare weight: 0,84 kg
- GTIN: 1 87 12581 66251 3
- Number of consumer packagings: 3

Picture/Display
- Diagonal screen size: 7 inch / 18 cm
- Resolution: 480(w)x234(H)x3(RGB)
- Display screen type: LCD TFT

Sound
- Output Power: 250mW RMS(built-in speakers)
- Output power (RMS): 5mW RMS(earphone)
- Signal to noise ratio: >80dB(line out), >76dB(earphone), >62dB(built-in speakers)
