Highlights

Smart All-in-One

Open up a new world of opportunities with Android powered Philips Smart All-in-One. Now you can enjoy streaming HD video and music, do e-Learning, read e-books, do emails and surf the web on its big 21.5" Full HD screen. Just attach your keyboard and mouse to its built-in USB hub, connect to the web, and you are ready to go. Dedicated App store enables you to download your favorite Apps. Its VGA connector allows it to be also used as a fully functional computer monitor. With its versatile capabilities this smart All-in-One can also be used in various business or educational environment.

App store

Enjoy great applications from the dedicated Philips App store. A single click on the App icon will take you to the store via Wi-Fi or Ethernet connection. Download and install Apps for entertainment, games, utilities, office, photos, video, news, social network, etc. which are available and updated from the store for free or for a small sum. The clear, easy to use interface helps you to browse intuitively which can be sorted by rating, category or popularity.

16:9 Full HD

The Full HD screen has the widescreen resolution of 1920 x 1080p. This is the highest resolution of HD sources for the best possible picture quality. It is fully future proof as it supports 1080p signals from all sources, including the most recent like Blu-ray and advanced HD game consoles. The signal processing is extensively upgraded to support this much higher signal quality and resolution. It produces brilliant flicker-free progressive scan pictures with superb brightness and colors.

Expand your storage

You can expand your storage capacity by adding external SDHC card or USB flash using the built in slot.

4 Ports USB 2.0 HUB

USB Hub allows user to conveniently connect their plug and play multimedia devices such as USB memory devices, camera, portable HDD, Web camera, PDA, Printer and many other devices which has USB connection available. The conveniently located USB 2.0 Hub on the monitor allows USB 2.0 signals to pass thru to the computer. Note that many devices like cameras and HDD may need to be powered On independently, as they have higher power requirements than the monitor USB Hub can provide.

Superb stereo sound

A pair of high quality stereo speakers built into a display device. It can be visible front firing, or invisible down firing, top firing, rear firing, etc depending on model and design.

Operating system
- Android 4.0

Storage Media
- Built-in memory capacity: 1GB DDR3, 4GB EMMC Flash
- External memory expansion: Optional external SDHC card, or USB flash drive upto 32GB

Preloaded applications
- Calculator
- Downloads
- File explorer
- Gallery
- Music Player
- Philips App store
- Search
- Web Browser

Connectivity
- Audio (In/Out): PC audio-in, Headphone jack
- USB: USB 2.0 x 4
- Wireless connections: 802.11b/g/n by WiFi Dongle
- Signal Input: VGA (Analog), RJ 45
- SDHC card slot

Convenience
- User convenience: Back/Back, Menu/OK, Power, SmartImage/Down, Volume/Up, Input
- OSD Languages: English, Simplified Chinese, Traditional Chinese
- Other convenience: Kensington lock, VESA mount (75x75mm)
- Plug & Play Compatibility: DDC/CI, Mac OS X, sRGB, Windows 8/7/XP

Stand
- Tilt: 20~62 degree

Power
- On mode: 25.94 W (typ.) 47.26 W (max.)
- Standby mode: 1 W (typ.)
- Off mode: 1 W (typ.)
- Power LED indicator: Operation - White, Standby mode- White (blinking)
- Power supply: External, 100-240VAC, 50-60Hz

Dimensions
- Product with stand (mm): 551 x 330 x 54 mm
- Product without stand (mm): 551 x 330 x 54 mm
- Packaging in mm (WxHxD): 610 x 408 x 131 mm

Weight
- Product with stand (kg): 4.17 kg
- Product with packaging (kg): 5.39 kg

Operating conditions
- Temperature range (operation): 0°C to 40°C °C
- Temperature range (storage): -20°C to 60°C °C
- Relative humidity: 20%-80 %
- Altitude: Operation: +12,000ft (3,658m), Non-operation: +40,000ft (12,192m)
- MTBF: 30,000 hour(s)

Sustainability
- Environmental and energy: EPEAT Silver, RoHS, Lead-free, Mercury Free
- Recyclable packaging material: 100 %

Compliance and standards
- Regulatory Approvals: CCC, CECP, CEL

Cabinet
- Color: White
- Finish: Glossy
