Item no. 133-86 · 5705730133862

Sandberg USB 3.0 Amplifier

Double Quality Tested

RoHS COMPLIANT

5 YEARS WARRANTY

The Sandberg USB 3.0 Amplifier is an active extension cable that amplifies the signal and extends the USB connection by 5 metres. Simply connect the cable between your computer and the existing USB cable, allowing you to increase the distance up to 8 metres.
