Music becomes more fun

with a petite form and color choices

Big on fun and incredibly small in size, GoGEAR MiniDot comes in vibrant colors to fit your taste. A built-in clip lets you wear it like an accessory, while LED and sound indicators ensure easy navigation. FastCharge offers quick charging.

Complements your life

- Enjoy up to 6 hours of music playback
- Built-in clip for convenient and hands-free use
- Small, colorful and stylish like a fashion accessory
- Sound and LED indicators for charging and easy navigation

Easy and intuitive

- Quick 6-minute charge for 60 minutes of play
- Shuffle your songs for a surprising sequence every time
- Songbird: one simple program to manage music

PHILIPS

Highlights

Small, colorful and stylish
Flaunt your GoGEAR players and simply bring out the best in your music. The MP3 player is small, round and chic – much as its name implies. It is equipped with a built-in clip and comes in a range of exciting colors. It can be worn on your bag or clothes, like a fashion accessory, all ready to be called upon when needed.

Built-in clip
Nothing should get in the way of you. Thanks to the lightweight design and sturdy built-in clip, your GoGEAR players is cleverly designed to be clipped onto your attire securely and stylishly, making it your perfect companion on-the-go.

Up to 6-hour music playback

Jive to endless hits with your GoGEAR player. A compact rechargeable battery is built in for long-lasting power. Up to 6 hours of continuous music playback can be enjoyed with a single charge. Just connect the player via Direct USB to your computer to charge, without the need for any cables. It's really that simple.

Fast charging (60 mins)

Sometimes, you just need your GoGEAR player to take you from home to office and back again or for a short run – but you forgot to charge it last night. Say goodbye to frustration and boring, silent journeys with Fast Charge. Philips' smart and convenient solution lets you plug your GoGEAR to your PC or USB charger for just 6 minutes and in return, you get a whopping 60 minutes of audio playback! Fast Charge works by relying on much higher current levels to give your lithium-ion battery the power it needs to tide you over in a jiffy … and keep the music going.
