

Philips EasySpeed
Steam iron with Non-stick soleplate

Steam 30g/min;95g steam boost

Non-stick soleplate
Anti-calc
2100 Watts

GC2039/20

Fast, from start to finish

3 ways to speed up your ironing

This EasySpeed iron speeds up your ironing thanks to: triple precision tip, even heat distribution across the soleplate and continuous steam.

Comfortable ironing
- A fine spray evenly moistens the fabric
- Drip-stop system keeps your garments spotless while ironing
- Even steam distribution for efficient ironing
- Triple precision tip for optimal control and visibility

Longer lifetime
- Calc clean slider to easily remove scale out of your iron

Easily removes creases
- Continuous steam up to 30 g/min for better crease removal
- Vertical steam for crease removal in hanging fabrics
- Steam boost up to 95 g for the most stubborn creases
- Non-stick soleplate coating
- Power up to 2100 W enabling constant high steam output

PHILIPS

Steam iron with Non-stick soleplate
Steam 30g/min;95g steam boost Non-stick soleplate, Anti-calc, 2100 Watts

GC2039/20

Highlights

Spray

The spray function produces a fine mist that evenly moistens the fabric, making it easier to iron out creases.

Up to 30 g/min of steam

Continuous steam up to 30 g/min for better crease removal.

Steam boost up to 95 g

Steam boost up to 95 g for the most stubborn creases

Calc clean slider

This steam iron can be operated with normal tap water and the calc clean slider makes it easy to remove any built-up scale out of your iron. To maintain the performance of your Philips steam iron, you should use this scale clean function once a month when using normal tap water.

Vertical steam

This Philips iron has a vertical steam function, for crease removal in hanging fabrics.

Non-stick soleplate

The soleplate of your Philips iron is coated with a special non-stick layer for good gliding performance on all fabrics.

Drip stop system

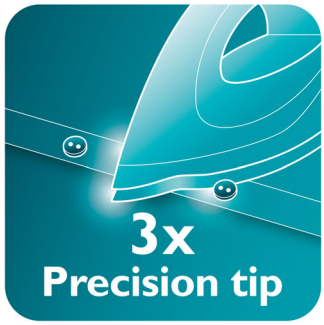

Drip Stop system lets you iron delicate fabrics at low temperatures without having to worry about stains from water droplets.

Even steam distribution

Thanks to the carefully crafted soleplate design, the steam is distributed evenly across the soleplate. This way you need less strokes to evenly moisten the garment and therefore less time to complete the ironing.

Triple precision tip

The tip of this Philips iron is precise in 3 ways: it has a pointed tip, button groove and a sleek design of the nose. Triple Precision tip enables you to reach even into the most tricky areas, e.g. around the buttons or between the pleats.

Power up to 2100 W

Power up to 2100 W enables constand high steam output.
