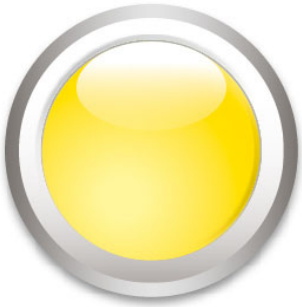
# Highlights

## High quality LED light

The LED technology, integrated into this Philips lamp, is a uniquely developed solution by Philips. While instantly turned on, it enables an optimal light output and brings out vivid colors in your home.

## Warm white light



Light can have different color temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

## Energy saving

This Philips energy saving lamp conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

## IP44 - weather proof

This Philips outdoor light is especially designed for humid outdoor environments. It was tested rigorously to ensure its water resistance. The IP level is described by two figures: the first one refers to the protection level against dust, the second against water. This outdoor light is designed with IP44: it is protected against splashing water, this product is most common and ideal for general outdoor use.

## Long operating life

A light source you can trust.The LED bulb, delivered with this Philips LED lamp, will last up to 25.000 hours (which equals 25 years on basis of an average use of 3 hours / day with an amount of at least of 13.000 on/off switching cycles). It feels so comfortable to think that you won't have to worry about maintenance or light bulb replacement while having the perfect light ambiance in your home.

# Specifications

## Design and finishing
- Material: aluminium
- Color: antracit

## Extra feature/accessory incl.
- Weatherproof

## Product dimensions & weight
- Height: 25.6 cm
- Length: 25.6 cm
- Width: 6.3 cm
- Net weight: 0.800 kg

## Technical specifications
- Mains power: Range 220 V - 240 V, 50 Hz
- Bulb technology: LED, 230 V
- Number of bulbs: 1
- Wattage bulb included: 6 W
- Light color: warm white
- Total lumen output fixture: 600 lm
- Fixture dimmable: No
- LED
- Lifetime up to: 25,000 hrs
- IP code: IP44, protection against objects bigger than 1 mm, protection from splashed water
- Class of protection: II - double insulated
- Light source equivalent to traditional bulb of: 47 W

## Service
- Warranty: 2 year(s)

## Packaging dimensions & weight
- Height: 26.6 cm
- Length: 26.1 cm
- Width: 8.1 cm
- Weight: 0.937 kg

## Miscellaneous
- Especially designed for: Garden & Patio
- Style: Modern
- Type: Wall light
