***Vs. model HD7865, using standard EN 60661:2014

Highlights

1.2 L Water tank

The 1.2 L water tank will allow you to brew at least 8 cups without having to refill it so you can enjoy your favourite coffees without interruptions

Green Product

With this coffee machine, we reinforce our commitment to take care of the environment cup after cup: Made with 80% recycled plastics* 42% less energy consumption** Auto shut-off

Intense Plus Technology

Our innovative brewing technology, exclusive for the espresso recipe, allows an optimum extraction of the coffee to create a delicious espresso with rich and darker crema. An advanced multiphase process that creates a different sound during the brewing.

Descaling light indicator

The light indicator reminds you when to descale. Descale every 3 months to keep your appliance limescale free, ensuring: maximum in-cup volume; perfect coffee temperature and the appliance's durability.

Variety of coffee recipes

Choose easily between different delicious coffee recipes like Long smooth, Intense or an Espresso with the simple flick of a switch.

Memo function

Adjust and save your recipe to your taste, so your perfect cup is always on call.

Capacity Water tank: 1.2 L
Technology: Intense Plus technology exclusive for the espresso, Memo function
Interface: Intensity Plus slider, One button for cups, Descale indicator
Connectivity: No
Certifications: Sustainability certification: Green tick
Dishwasher-safe parts: Yes
Warranty: 2 years
User involvement: Touch of a button
Coffee type: Pods

Safety feature

Automatic shut-off timer: Yes
Safety certification: Yes

Technical Specifications

Voltage: 220-240 V
Frequency: 50-60 Hz
Power: 1450 W brewing/<0.5 W stand-by
Number in pack: 1

Weight and Dimensions

Product Length: 285 millimetres
Package Length: 349 millimetres
Product Weight: 2.428 kg
Package Width: 209 millimetres
Package Height: 357 millimetres
Product Width: 170 millimetres
Product Height: 310 mm

Country of Origin

Produced In: Romania

Compatibility

Included Accessories 1: 1-cup podholder
Included Accessories 2: 2-cup podholder

Durability

Packaging: > 90% recycled materials, 100% recyclable
User Manual: 75% recycled paper, 100% recyclable paper

Energy efficiency

Standby mode power consumption: n/a
Off mode power consumption: 0.2 W
Networked standby mode power consumption: n/a
Period before automatic switching into standby mode: 0 Min
Measurement standard: EN 50564:2011
