Case and armband

for iPod classic

DLA1402

Workout with your iPod

in a neoprene case with armband

Strong and versatile, you can use the adjustable armband to keep iPod close and secure while you exercise. The material wicks away moisture and the clear window protects your player while providing play-through access.

Active protection
- Moisture-resistant neoprene protects against sweat
- Clear window for play-through screen protection

Convenient access
- Access to all controls and dock connector

Versatile positioning
- Adjustable sport-ready armband for a better fit
- Use the case with or without the included armband

Screen protection
- Case provides built-in screen protection

Highlights

Built-in screen protection
This clear window provides protection for your device's screen while still allowing you to view your device inside the case.

Moisture-resistant neoprene
This neoprene case adds a padded, moisture-resistant layer to your device, protecting it against sweat and the elements while you exercise.

Use with or without armband
Great for working out or hanging out. The included armband is removable, so you can choose to use the case with or without the armband depending on how you want to use it.

Adjustable sport-ready armband
The adjustable armband stretches to comfortably fit a broad range of arm sizes, and is secured with Velcro to keep your device nearby during any activity.
