FC6405/81

Vacuums and mops in one stroke

Always at hand to quickly clean daily messes

The new cordless (Li-Ion) PowerPro Aqua is a 3in1 powerful tool to deal with daily messes. A bagless vacuum cleaner for all floors, a handheld vacuum cleaner for surfaces like sofa, chair or corners and a mopping system to clean damp dirt.

Cleans everyday messes with vacuum and mop

- PowerCyclone Technology for high vacuum cleaning performance
- New mopping system with optimal wetness for all hard floors
- Handheld for vacuuming furniture and hard to reach corners
- TriActive Turbo nozzle for powerful performance on carpets
- 3 layer filter German technology captures micro particles*

Always at hand and convenient for daily usage

- Cordless cleaning: freedom to clean everywhere
- Bagless: One-step empty dust bucket
- Powerful 18 V Lithium Ion battery for long runtime
- Suitable to use on all floors
- Instant click on/off mopping system to do wet cleaning
- High maneuverability and light weight for easy handling

PHILIPS

Vacuum cleaner and Mopping System
Cordless rechargeable PowerCyclone technology, Mopping system, TriActive Turbo nozzle

FC6405/81

Highlights

PowerCyclone Technology

The PowerCyclone technology delivers high vacuum cleaning results in one go. Air enters rapidly into the PowerCyclone and is accelerated further through the curved air pass to effectively separate dust from air.

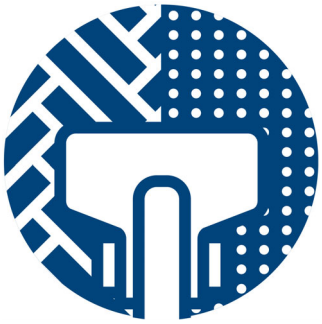
Innovative mopping system

The unique mopping system controls the water release to maintain optimal wetness for all hard floors throughout the cleaning.

Handheld included

Handheld for vacuuming furniture and hard to reach corners

TriActive Turbo nozzle

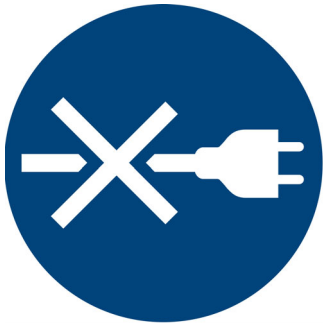


The TriActive Turbo nozzle delivers powerful performance on hard floors and carpets. The motorized brush and the optimized airflow pick up all dirt and fluff in one go.

3 layer German filter

3 layer washable filter designed with German technology can capture >90% of ultra-finr particles like microorganisms up to size of 0,3 microns (many bacteria, pollens and allergens are around this size) to realize cleaner air.

Cordless cleaning



Without the cord, you are free to clean wherever you want on every type of floor.

One-step empty dust bucket

The new bagless PowerPro Aqua vacuum cleaner dispose dust from the dust bucket without touching the dirt.

Powerful Lithium Ion battery

Cordless cleaning with powerful 18 V Lithium Ion battery for 40 min run time.The cable is not a barrier anymore and you can easily clean different rooms without hassle.

Suitable to use on all floors

Vacuum all hard floors and carpets. Click on the water tank to mop all types of hard floors.
