

MAINSTREAM COMPUTING FOR A VARIETY OF BUSINESS USES

Lenovo V Series desktops offer exceptional value for money, and are available in a range of sizes and performance configurations to meet the varying needs of your workforce.

Lenovo V35s 07ADA

Smarter technology for all

Lenovo

An excellent choice for businesses seeking a reliable, budget-friendly desktop. Under its compact 7.4 litre chassis, it packs in up to AMD Ryzen 5 Processors, integrated AMD Radeon Vega graphics and up to 32GB DDR4 memory. Enjoy faster boot times, better responsiveness and switch between tasks more seamlessly. There are plenty of USB ports to connect essential peripherals and expand device capabilities.

REASONS TO BUY

Worried about device security? A Smart Cable Clip physically locks the cables plugged into the desktop, with port access restricted to only authorized technicians. A Kensington lock slot and Padlock Loop prevent tampering with internal components and theft. Data encryption technology is also available.

Equipped with up to 512GB SSD and 2TB HDD storage, there is plenty of space to store large files. It also comes with an optional DVD burner and optional 7-in-1 card reader.

Save money and reduce environmental impact with this energy-efficient device which has Energy Star and EPEAT Silver certifications.
