USB-A to USB-C Adapter

USB 3.0 (USB 3.2 Gen 1) Type-A Male to Type-C Female, 5 Gbps SuperSpeed USB, 3 A, Aluminum, Black/Space Gray

Part No.: 356305

EAN-13: 0766623356305 | UPC: 766623356305

Type-A to Type-C USB Adapter - easily convert a USB-A port to a USB-C port and bridge the gap from older to newer tech

The Manhattan USB-A to USB-C Adapter lets you connect standard USB-C accessories (e.g., USB hubs, external hard drives, sync/charging cables, etc.) to your USB-A-equipped computer, which is quite useful if you have an older model or your USB-C ports are already in use. Measuring only 31 mm (1.2 in.) in length, this passive adapter easily fits into a small pocket of your laptop bag for easy travel. With charge and sync capabilities up to 3 A and 5 Gbps respectively, you can quickly and easily keep your device ready for what's next.

Universal compatibility for easy installation

This universal USB 3.0 / USB 2.0 Type-A to Type-C adapter works with a wide range of computers because it requires no additional software or drivers. It also works with various operating systems such as Windows®, macOS®, Linux® and Chrome OS, so it’s multi-platform compatible.

Features:

- Easily connects a USB-C device to a USB-A port
- USB 3.2 Gen 1 compliant (formerly USB 3.0) with SuperSpeed transfer rates up to 5 Gbps
