

ThinkBook 14 G4 ABA

Designed to match the needs of modern professionals working from anywhere, this laptop is one of the thinnest and lightest available at this price range. Yet it packs in powerful features, such as up to 8-core AMD Ryzen processors and ultra-fast SSD storage, enabling quicker loading of large files and superior computing experience every time. Plus, with AMD Radeon Graphics and discrete and NVIDIA GeForce MX450, it runs heavy-duty applications seamlessly.

The FHD display with narrow bezels, up to 100% sRGB colour gamut, and TÜV Rheinland low blue light certification delivers stunning visuals with minimal eye strain. Experience superior sound quality during calls, sans any background noise, thanks to the Dolby Audio speakers with noise-canceling technology.

Wi-Fi 6 support ensures users stay connected at all times. Plus, HDMI and USB-C ports allow connecting up to 3 external monitors, ensuring seamless multitasking.

Smart Power On touchkey replaces the power button, ensuring biometric authentication every time somebody uses the device.

Lenovo devices that are a class apart

ThinkBook combines the style and user experience of consumer devices with the security and business-class support of ThinkPad.

Lenovo services

Lenovo offers a comprehensive portfolio of end-to-end services to support and protect your investment - so you can focus on learning, not IT.
