High-power LED light

As the international market leader in car lighting, we have years of experience and know-how in light. Philips LED inspection lamps are equipped with high power LEDs. Our LEDs combine strong light performance with a natural colour rendering for fatigue-free work.

Resistant to chemicals

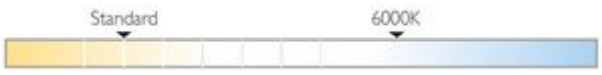

As well as resisting knocks, the inspection lamp cases are resistant to water, chemicals and workshop solvents.

Rotating magnet

Use the rotating magnet to position the lamp and its light where you need it, providing you with clear and precise visibility of the work space.

Very intense white light

Very intense white light with high-power Rebel LED focus light which produces a natural light that is easier on the eyes.
