MPN: MC-GRU0305DKB

Danish Power Strip 3-way Black 5m cable

The MicroConnect MC-GRU0305DKB Danish Power Strip provides a convenient and reliable solution for powering multiple devices in your home or office. Featuring three Danish standard sockets, this power strip allows you to connect up to three devices simultaneously. The generous 5-meter black cable offers ample reach, making it ideal for use in various settings, from under desks to behind entertainment centers. Built with quality components and adhering to European safety standards, this power strip ensures a secure and stable power supply for your valuable electronics. MicroConnect's 20+ years of experience in connectivity solutions guarantees a product that combines functionality with durability, all at a fair price. Perfect for expanding your power options with trusted performance.
