Highlights

Fitness filter
Made of innovative activated carbon fibre, the Fitness filter removes up to 99%* of chlorine and other taste impairing substances without compromising the water flow. Simply fill the bottle, squeeze and drink!

Dust-proof
The bottle comes with a dust-proof cap, so that the mouthpiece stays clean.

Leak-proof
The leak-proof design ensures that the water doesn't spill inside your bag.

Dishwasher safe
All parts are dishwasher-safe (max. 50 degrees Celsius) except for the filter.

Filter replacement reminder
Timer reminds you when to replace the filter for the best result.

Economical and eco-friendly
Great-tasting water at a fraction of the cost and waste of bottled water.

* *Based on test results from the international testing and certification agency SGS under laboratory conditions.
