Product Code: **BTSOUNDVISIONK**
Bluetooth® sunglasses with built-in audio.

Technical features:

- Open-ear design for maximum safety
- UV protection
- Voice Assistant
- Built-in microphone

Compatibility: Universal

DESCRIPTION:

SOUND VISION is the perfect accessory for sunny days. These Bluetooth-enabled sunglasses allow you to connect your smartphone, listen to music thanks to the built-in speakers and make calls via the built-in microphone. All this in total safety thanks to the Open-Ear design that leaves the ear cup free.
