Highlights

Optimal temp for 10+ food and drinks

Teas, coffees, baby food, cocoa, instant noodles and more all benefit from being heated at different temperatures. This temperature-control kettle offers 6 temperature settings from 40C to 100C for perfect and safe servings every time.

Keep warm function

Once your kettle reaches your desired temperature, our smart keep-warm function maintains the exact water temperature. No need to reboil.

Double walled for safe-to-touch surface

No need to wait for your kettle's exterior to cool down. Our temperature-control kettle features a double insulated layer that ensures a constantly cool exterior to the touch while maintaining water warmth inside for longer sips of comfort.

Precision temperature display

Monitor your chosen temperature and observe it precisely align with your setting in real time via the intelligent handle display.

Food-grade stainless steel

Always enjoy a safe and clean serving. The kettle is made from food-grade stainless steel for maximum hygiene and corrosion prevention.

Family-sized 1.7 L capacity

Ideal for serving the whole family or a group. With a 1.7 L capacity, our kettle can efficiently boil enough water for up to 7 cups.

Cord winder

The cord can be sleekly and easily wrapped around the base of the kettle so you can position your kettle without troublesome cords.

Spring-release lid

Effortlessly open your kettle at the touch of a button with the spring-release lid.

Cup indicator

Contribute to a greener world while saving energy and water. Heat only what you need, aided by the cup indicator for rapid, energy-efficient boiling in under a minute.

Specifications

Weight and Dimensions

Product Length: 15.5 cm
Product Width: 23.05 cm
Product Height: 25.2 cm
Product Weight: 1232.5 g
Package Length: 18.5 cm
Package Width: 24 cm
Package Height: 28 cm
Package Weight: 385.5 g

General Specification

Primary Material: Metal
Capacity Water tank: 1.7 L
Warranty: 2 years

Technical Specifications

Power: 1850-2200 W
Voltage: 220-240 V
Frequency: 50-60 Hz
Battery Product: No

Country of Origin

Produced In: China

Safety feature

Automatic shut-off: Yes

Publication Date
2025-08-30
Version: 60.60.1
