DEQSTER Slim Pro L, iPad Air 13" (M2 / M3)

90-SPB4

Overview

The SLIM PRO KEYBOARD combines elegance, mobility, and performance in one sleek design. With its ultra-lightweight yet robust build, it is perfect for flexible learning, creative projects, and productive daily work. The adjustable kickstand offers a viewing angle of up to 60°, while Bluetooth 5.0 and the long battery life ensure reliable wireless use. Drop protection up to 0.8 m and a precise multi-touch trackpad make it the ideal companion for students and professionals alike.
