Highlights

Access to all controls
The openings on this case allow convenient access to all controls and the dock connector, so you can use your device while it's protected inside the case.

Leather hard-shell case
This case is made out of tough polycarbonate that is covered in fine leather, so it protects your device with strength and style.

Total access to iPhone
The openings on this case allow total access to all iPhone controls, the dock connector and the camera, so you can fully utilise iPhone while it's protected inside the case.

Removable wrist strap
The wrist strap can be attached to the case to help keep your device close secure and at hand - and can be removed if not needed.

Crystal clear screen protector
The crystal-clear film adds an invisible layer of protection against scratches and dust to your device's display screen. It works using static adhesion, so it's easy to apply and remove without leaving any sticky residue.

Simple, stylish design
This case is designed to provide protection for your device - in style.

Slim, pocket-friendly design
The slim design adds protection with minimal added bulk, so your device still fits easily into your pocket or bag for protection on the go.
