*(1) Compared to regular fan blade design
**(2) At the lowest speed setting. Sound power tested based on IEC60704.
***(3) PMV calculation to ISO7730:2005, 8 h/day, kWh price: €0.25, for 90 days, 42 $m^2$ room, MAX mode

# Highlights

## Reach up to 25 m

Long-range airflow that can reach up to 25 metres. Enjoy maximum comfort and feel refreshed no matter where you are; everyone in the room can feel the cool breeze.

## Circulation

Enjoy the feeling of a gentle breeze surrounding you thanks to this air-circulator fan with a long-range airflow of 738 m³/h. Say goodbye to stagnant air and welcome a refreshing breeze that reaches every corner of your space.

## Ultra-quiet, as low as 23 dB

Experience 30% quieter operation with our innovative SilentWings technology (1). Drawing inspiration from the silent wings of nature's quietest flyer, the owl, our blade design ensures a quieter cooling experience with noise levels as low as 23 dB(A) (2) — quieter than a whisper!

## Quality and Durability

Made to last, season after season. With over 80 years of air care expertise, Philips performs over 110 rigorous tests on their fans before release, ensuring high quality and performance.

## Quiet Sleep mode

Enjoy a cool and peaceful night's sleep with the Quiet Sleep mode. This mode gradually decreases the fan speed to the lowest setting, helping you fall asleep naturally while also conserving energy.

## Natural Breeze mode

The Natural Breeze mode mimics a breath of fresh air; the intensity and speed of the air alternates seamlessly from high to low, creating a natural and invigorating indoor experience that can be enjoyed all year long.

## 2 Modes & 3 Speeds

Enjoy a gentle breeze or a more powerful blast of air with this versatile fan, which offers 3 speed settings, a natural breeze mode and a tranquil sleep mode. Choose the setting that suits you best, lean back and enjoy.

## Tiltable and Oscillating

Customise your comfort with a fan that tilts 180° and oscillates automatically, giving you refreshing air exactly as you need it — whether for direct cooling or air circulation throughout the room.

## Appealing, compact design

Effortlessly blending convenience and simplicity, our fan features a hidden blade design for a clean and minimalist aesthetic. Compact and discreet, it saves space without sacrificing performance.

# Specifications

## General Specification

Product Type: Table Fan
Technology: SilentWings
Colour: Black, Silver
Primary Material: Plastic

## Weight and Dimensions

Head diameter: 22 cm
Product Length: 44.0 cm
Product Width: 30.7 cm
Product Height: 32.0 cm
Product Weight: 2.3 kg
Package Length: 44.0 cm
Package Width: 30.7 cm
Package Height: 32.0 cm
Package Weight: 4.2 kg

## Energy efficiency

Stand-by power consumption: <1 W
Voltage: 220-240 V
Frequency: 50/60 Hz

## Maintenance

Warranty: 2 years

## Country of Origin

Produced In: China

## Technical Specifications

Maximum power: 27 W
Air quality sensors: -
Min. sound level: 23 dB(A)
Max. sound level: 40 dB(A)

## Performance

Fan airflow: 738 m³/h

## Usability

Sleep mode: Yes
Natural mode: Yes
Speed settings: 3
Timer: Yes
Scheduler: -
Cord length: 1.8 m
Oscillation: 80°
Vertical Tilt: 180°
Interface: Touch
