Highlights

Comfortable, sporty material
This sporty case adds a padded, moisture-wicking layer to your device, protecting it against sweat and the elements while you exercise.

Play-through window
When you exercise, this clear window provides protection for your device's screen while still allowing you to control the device.

Adjustable sport-ready armband
The adjustable armband stretches to comfortably fit a broad range of arm sizes and is secured with Velcro to keep your device nearby during any activity.

Slim, removable clip

The slim clip secures your device to your belt, waistband, pocket or bag strap so it's always close at hand. Easily remove the clip when you want to use the case without it.

Covered buttons for protection
The case material covers the volume buttons, giving you push-through control while your device stays protected.
