Smarter technology for all

Lenovo

This thin and light 13.3” entry-level notebook with an array of powerful features ensures optimum everyday productivity, even on-the-go. It comes with 12th Generation Intel Core i7 processor and Intel Iris Xe Graphics – means create and edit content, or work on web-based apps with ease. Save and load heavy media files swiftly with up to 1TB super-fast SSD storage. Work on-the-move without worrying about battery drain, thanks to a battery life of over 10 hours.

REASONS TO BUY

Create content with crisp detail and colour accuracy, thanks to 100% RGB color gamut and up to 400 nits brightness. With 2 x speakers with Dolby Audio, experience clear sound quality. The TÜV Rheinland panel protects the eyes from strain during long working hours.

Smart power on enables instant login, with just a touch. And with Wi-Fi 6 connectivity, download and upload files swiftly, from anywhere, no matter how crowded the network.

Minimum preloaded applications mean maximum battery life and responsiveness for users and faster deployment for IT admin.
