SpacePole POSlift™ - 05

SPV3309-05

The SpacePole POSlift™ sole purpose is to do just that by allowing the height of the screen to be raised or lowered to suit the operator, whether that is a member of staff at the check-out or a customer engaging with a Self-Service touchpoint. It brings customer focus, ergonomic, productivity, and job satisfaction benefits with it.

To raise or lower the screen to ensure optimal ergonomics
Features VESA 75 and 100 Can be added to existing installations
Warranty 5 Years on metal parts and 2 years on plastic parts
