MPN: GRUELU4H050EDB

Danish EDB Power Strip 4-way White, 5m cable

The Danish EDB Power Strip 4-way White with a 5m cable (MPN: GRUELU4H050EDB) is a reliable and essential power solution for any Danish office or home setup. This high-quality power strip features four outlets, allowing you to connect multiple devices simultaneously. The generous 5-meter cable provides extended reach, offering flexibility in placement and ensuring you can easily power your equipment even when outlets are not conveniently located. Built to Danish standards, this power strip offers enhanced safety features, protecting your valuable electronics from power surges and fluctuations. Trust MicroConnect's 20+ years of expertise to deliver a durable and dependable power solution that meets your connectivity needs with premium quality and peace of mind. Ideal for computers, monitors, printers, and other essential office equipment.
