- Control lights with your voice*

Highlights

Create a personalized experience with colorful smart light

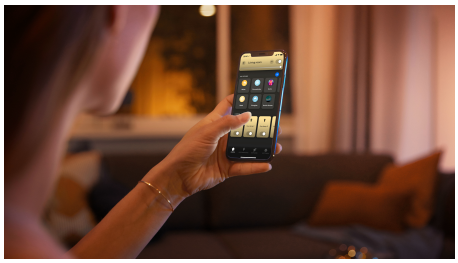

Instantly set the mood for any occasion with 16 million colors of light. Transform any room for an immersive entertainment experience, create the perfect atmosphere for a get-together with friends, or complement your home decor.

Get the perfect light recipes for your daily activities

Use the preset Philips Hue light recipes to fit your mood or activities throughout the day. Amp up the energy with the cool white light of the Energize light recipe in the morning or unwind with the subtle, soft light of Relax.

Control up to 10 lights with the Bluetooth app

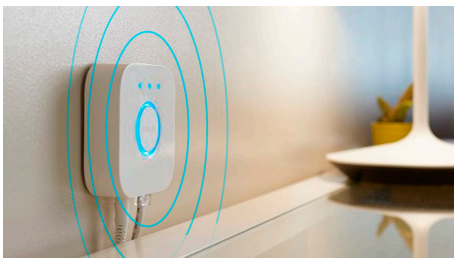

Philips Hue with Bluetooth is the easiest way to get started with smart lighting. Set the mood instantly with Bluetooth-enabled LED bulbs and the Hue Bluetooth app, which allows you to control up to 10 lights in a room.

Set the right mood with warm to cool white light

These bulbs and light fixtures offer different shades of warm to cool white light. With complete dimmability from bright to low nightlights, you can tune your lights to the perfect shade and brightness of light for your daily needs.

Unlock full suite of smart light features with Hue Bridge

Add a Hue Bridge (sold separately) to your Bluetooth-controlled setup to make your smart lighting system even smarter.With the Hue Bridge, you can add up to 50 lights — including your existing Bluetooth-enabled lights — and smart accessories throughout your entire home, as well as unlock upgraded features such as away-from-home control.

Control lights with your voice*

Activate hands-free help in any room with Bluetooth voice-activated smart lights. Simply pair your Hue lights with any compatible Amazon Echo or Google Home device to enjoy the convenience of managing your smart lights with just your voice.
