MPN: ES638002

Fast Wireless Charger Pad 15W - Black

This slim, fast wireless charger allows you to charge your smartphone wirelessly.

The charger pad has a super slim design to fit the bedside table, the living room or the office.Charging is easier than ever before - just place your mobile on the charging pad and charging starts immediately.

Connect the wireless charger pad to a USB-C PD 20W charger (or higher) for the best charging experience.

The charger supports all QI-compatible smartphones.

- For Qi compliant devices
- 15W Single coil
- 5V/9V fast charge mode
- WPC1.2 support
