- Cordless & manoeuvrable design: Enjoy unrestricted movement with a 360° rotating hinge.
- Cordless & manoeuvrable design: Enjoy unrestricted movement with a 360° rotating hinge.

## Goodbye old mop, hello OneUp!

### Clean was never clean. Until now.

- Don't compromise on clean, only a Philips OneUp cleans like a OneUp.
- No bucket and no hassle: effortless cleaning experience, start to finish
- The original OneUp patented technology
- Clean and dirty water always separate
- 360° rotating hinge for maximum reach
- Cordless and easy to use all over the home
- Ideal for a flat of up to 125 mq
- 50% faster drying and a spotless clean thanks to OneUp Pads**
- For hard floors including delicate and non-absorbent floors
- Long-lasting, easy-to-recharge battery
- Machine-washable and reusable pads
- Uses up to 90% less vs manual mop
- 1 cartridge replaces up to 3 bottles of regular detergent

*Tested on a specific test area, with E. Coli and S. Aureus samples, using water only.
***As measured versus a manual mop on non-absorbent flooring according to IEC60335-2-2 acclimatised conditions
*****Visually clean: gloss measurement of cleaned surface, tested with liquids, vs. manual mops

# Highlights

## 2 x cleaner floors***

Clean grease, stains, sticky dirt, fine dust and your everyday floor messes. For a shining floor without residue and streaks for up to 99.9% bacteria removal*

## 2 x faster mopping***

Enjoy hassle-free floor cleaning without the need for buckets, wringing or rinsing. The Philips OneUp Electric Mop simplifies every step.

## OneUp technology

Thanks to the patented OneUp technology, you can be sure you don't spread dirt. It pumps clean water on the floor while silently sucking up dirty water. Every time.

## Built-in separate water tanks

Keep clean and dirty water always separate thanks to the integrated water tanks. You can always see them and are easy to refill and empty without ever having to touch the dirty water!

## Maximum reach

Easily clean hard-to-reach corners and areas under low furniture thanks to the 360° rotating hinge.

## Cordless and manoeuvrable

Move freely with no cords or cables needed. It moves just like your old mop – minus the bucket!

## Optimal floor coverage

Ideal for a flat of up to 125 mq, thanks to 50 mq coverage in one water tank. One fully charged battery lasts up to 50 mins, providing extended cleaning time

## 50% faster drying**

Mop and dry simultaneously. The original Philips OneUp Pads ensure optimal and even wetting with 50% faster drying**. OneUp cleans deeper than traditional mops, removing built-up dirt and residue. If you see striping, don't worry, it means dirt is being removed! Mop in multiple directions, not just straight lines, for a thorough clean.

## For your hard floors

Clean hard floors, including delicate and non-absorbent floors like laminate, non-textured tiles, vinyl, wood (like parquet), cast floor and stone.

Two times cleaner floors versus manual mops***: Deep clean removes up to 99.9% of bacteria*., Two times faster mopping versus manual mops: Experience cleaning that cuts mopping time in half.**, The original OneUp technology: Patented technology that pumps clean water while silently sucking up dirty water., Cordless & manoeuvrable design: Enjoy unrestricted movement with a 360° rotating hinge., Cordless & manoeuvrable design: Enjoy unrestricted movement with a 360° rotating hinge.
