SWITCH KITS

CHERRY MX BLUE - Clicky and noticeable

Models may vary from the image shown

Original CHERRY MX is the world´s leading precision technology for mechanical key switches. The CHERRY Gold Crosspoint contact concept and the unprecedented production quality "Made in Germany" are unique.

This box enables gamers and enthusiasts to build their own keyboards choosing their favorite CHERRY switch type. One box contains 23 switches.

MX RGB BLUE:
The characteristic of this tactile switch is featured by tactile and audible feedback. Thanks to the striking "click", the CHERRY MX BLUE not only provides noticeable, but also acoustic feedback. The switch with the CHERRY MX click technology thus establishes itself as a courageous choice.

FUNCTION AND PERFORMANCE
