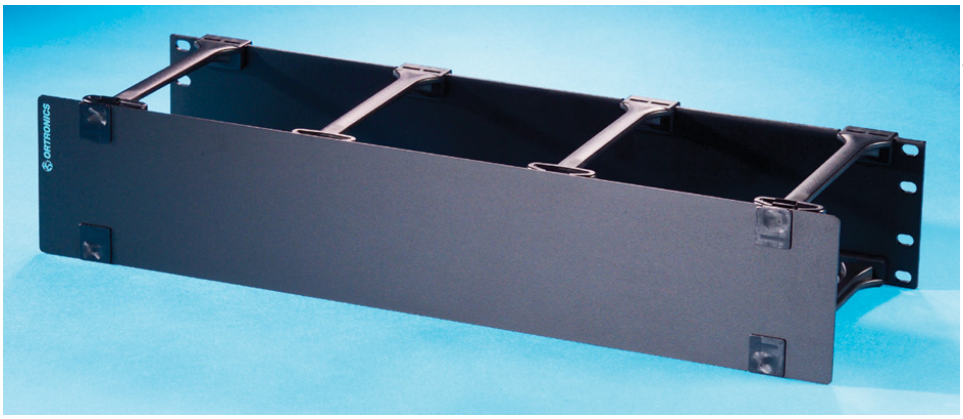
Ortronics
Mighty Mo 6 Horizontal Cable Management Panel
Part No. MM6HM82RU



Provides organized management for cables within the rack. Each panel features a double hinged cover that opens for cable access during moves, adds, and changes.

Features & Benefits

Six-port finger spacing provides organized management of patch cables horizontally: When used with six-port panels, encourages defined and traceable routing of individual patch cords.

Double hinged cover included: Easy to open or remove for adds, moves and changes.

Effectively manages 24- or 48-port panels.

Specifications
