

Lenovo devices that are a class apart

The entry-level ThinkPad, E Series features the famous keyboard and trackpoint, and is MIL-SPEC tested ensuring the build quality for which ThinkPad is renowned.

ThinkPad E15 Gen 4 (Intel)

A perfect blend of portability, speed and performance, this device is engineered keeping the modern hybrid workers and their mobility needs in mind. Working on complex files and data-heavy applications was never easier - thanks to up to 12th Gen Intel Core i7 processor. Stand out on HD video calls, capture ideas on the 15.6” FHD screen and enjoy immersive audio in the Dolby Audio and Harman speakers. With the Intel Wi-Fi 6E support, a battery life of up to 8 hours and rapid charging feature, continue working from anywhere, unhindered.

With 3 USB ports, including USB 3.2 Gen 1 and Thunderbolt 4, this device prepares users for any situation – whether plugging in for a quick client presentation or connecting to surrounding POS systems, external monitors and peripherals.

Loaded with smart security features such as Discrete TPM 2.0 chip, Kensington locks and BIOS security, this device ensures crucial data is safe at all times.

Minimal preloaded applications mean maximum battery life and responsiveness for users, and faster deployment for IT admins.
