MPN: MC-PE010SCHW-OE

Schuko - Open End Power cable, 10m, White

The MC-PE010SCHW-OE Schuko to Open End Power Cable provides a reliable and extended power connection solution. Featuring a Schuko connector on one end and an open end on the other, this 10-meter white cable offers flexibility for various power applications. Ideal for connecting devices with a Schuko power inlet to a custom power source, this cable ensures a secure and stable power supply. MicroConnect's commitment to premium quality and European design standards is evident in this durable and expertly crafted power cable. Benefit from our 20+ years of experience in providing pioneering connectivity solutions, ensuring your devices receive the power they need, when they need it. A perfect solution for custom power requirements needing a long reach.
