

MAINSTREAM COMPUTING FOR A VARIETY OF BUSINESS USES

Stylish, space-saving and packed with productivity features, Lenovo V Series All-in-Ones include rotating webcams, adjustable stands and non-reflective screens.

Lenovo V50a 24IMB

Smarter technology for all

Businesses looking to modernize their desktop fleet can opt for this sleek and stylish all-in-one PC. The 23.8” FHD anti-glare display with 92% screen-to-body ratio and low blue light output allows content creators, admin teams and other users to work long hours without strain. It comes with a super slim wedge-shaped stand for better stability and a cleaner look. The screen can be rotated 90° and tilted up by up to 30° to ensure the perfect angle for comfortable use.

REASONS TO BUY

There are 6x USB ports including 1x USB 3.1 Type-C, enabling users to connect essential peripherals. To ensure sensitive data is well-protected, system administrators can disable the data transfer function on specific USB ports and set up HDD passwords.

The Smart Conference feature detects the number of people in front of the computer and optimizes the audio experience; either minimizing background noise or detecting voice from multiple directions.

Optimized to reduce power consumption, with Energy Star and EPEAT Silver energy efficiency certifications.
