REASON TO BUY

A **portable, modern and reusable alternative** to traditional single-use tests on the market. Perfect to expand your offering with a smart product that follows current trends and has high sales potential.

COMPATIBILITY: universal

2 USP: MAIN FEATURES 4 SELLIN SPEECH

1. **USB-C RECHARGEABLE:** more practical and eco-friendly compared to single-use tests.
2. **COMPACT AND PORTABLE DESIGN:** a smart, useful device, perfect to take anywhere and ideal as a gift

5 MAIN TECHNICAL FEATURES

1. **Quick test in seconds:** allows you to perform a simple and fast test, ideal for personal use before driving
2. **LCD display** for real-time monitoring of the result
3. **3-color LED indicators** – red, yellow and green – intuitively show the detected alcohol level for an immediate and easy-to-understand visual reading
4. **Contactless hygiene:** thanks to the innovative design, no mouthpieces are needed. Practical, clean, and suitable for shared use
5. **Equipped with a USB-C port** for convenient and fast recharging
6. **Compact and portable design**, perfect to carry in a bag or backpack, always within reach

NB: This device is intended for personal and indicative use only. It does not replace professional equipment and has no medical or legal value
