Counter mounted SCO Flex - X003

SPFLEX012-X003

The SpacePole FLEX countertop solution delivers fast, intuitive interactions in a sleek, space-saving design. Supporting screens up to 27" and printers as standard, with optional payment integration, it enables seamless transactions, smooth check-ins, and efficient order processing, helping retailers elevate service and keep customers moving.

Optimised Viewing Experience – Supports screens up to 27" with adjustable tilt for comfortable, customer-friendly interactions
Flexible Peripheral Integration – Easily connect payment, scanning, and printing devices for a tailored setup
Sleek, Professional Aesthetic – Modern design enhances any retail space with clean lines and smooth finishes
Fast, Hassle-Free Setup – Tool-free installation saves time and simplifies deployment
Effortless Maintenance – Quick-access magnetic panels reduce downtime and keep service smooth
Clean & Tidy Cabling – Smart cable management keeps installations neat and clutter-free
