Ortronics
Compact Edge Cabinet, 4 RU, Plexiglass Door - White
Part No. CECWM4RUPL-W

The Compact Edge Cabinet (CEC) series wall-mount cabinet offer a unique versatile solution for edge computing, purpose built for equipment and application advancements all in a small form factor. The low-profile design positions rack mount equipment vertically, while allowing access for upgrades, refreshes and adds/drops. The CEC series cabinet is capable of housing a complete network, including up to 4RU of traditional rack mount equipment..

Features & Benefits

Vertical Rack Mount: Enables low-profile mounting allowing for easy installation, access, and maintenance.

Maximize space with two pairs of 4 RU rails for mounting network, auxiliary, power, and panel equipment. Includes one Pivoting Panel Mounting Bracket Kit to improve rear access and free vertical space. (Additional kits sold separately - CECPPM1RU.)

PCI Compliance: User access is controlled by an integrated swing handle with lock.

Certified Load Rating per UL2416: 135 lbs total (125 lbs per pair of mounting rails and 10 lbs on the door)

Specifications

General Info

Product Line	Ortronics	Color	White
Finish	Powder Coat	UPC Number	662875032519
Country Of Origin	United States	Material	Steel
Product Type	Cabinet	Features	Plexiglass Door
Included	(2) pairs of mounting rails and (1) CECPPM1RU Pivoting Panel Mount Bracket Kit	Number of Knockouts	8
Application Sector	Commercial, Data Center, Industrial	Standard	UL2416
Warranty Type	5-Year
