- Day and night vision
- Requires 12-24Vac – min 10VA transformer (not inlcuded)

8720169342200

Easy smart lighting

Never miss a visitor or a parcel with the Hue video doorbell. Get instant alerts when somebody's at the door or is passing by. See everything clearly, day and night, with crisp 2K video and Starlight technology. Interact with anyone, from anywhere, with two-way talk, right on your doorstep. Activate your Philips Hue lights with motion detection, enhancing your visual security. Requires 12-24Vac – min 10VA transformer (not inlcuded)

Security that works with your Philips Hue lights

- When the video doorbell senses movement, your Philips Hue lights turn on automatically. When someone rings the doorbell, your lights gently flash – so you know someone's at your door.

Know who's there, wherever you are

- Get instant alerts when motion is detected. Check the live video feed and talk to visitors using the built-in microphone – for peace of mind, even when you're away.

Issue date: 2026-10-28 Version: 0.261

Ultimate control in one app (Hue Wired doorbell)

- Manage your doorbell, chime and Philips Hue lights all from the Hue app – no need for multiple apps. Get instant alerts, customise settings and stay connected from anywhere, right from your smartphone or tablet.

See everything in sharp detail

- Enjoy 2K resolution and a 180° head-to-toe view – perfect for spotting visitors and parcels at your doorstep.

Crystal clear and full colour view – even in the dark

- Experience sharp, true-to-life video at any hour. Starlight technology enhances low-light performance, giving you a clear, full-colour view of your doorstep – even in near darkness.

Easy to install

- Set up the wired doorbell in just a few simple steps-designed to fit seamlessly at any doorstep.

Smart sound alerts, anywhere at home

- Add a smart wireless chime for sound notifications anywhere in your home-so you always know when someone's at the door.
