PHILIPS

Highlights

Two extra mounting options
Two extra mounting options: clamp or wall mounted.

Adjustable free-swing arm
Adjustable free-swing arm to direct the light where needed.

Anti-glare filter
Anti-glare filter. Directs stray light away from your eyes and onto work surfaces without decreasing brightness level.

High light quality
High light quality with Philips energy saving lamps included

Long lifetime
Long lifetime up to 8000 hours

On/off switch on article

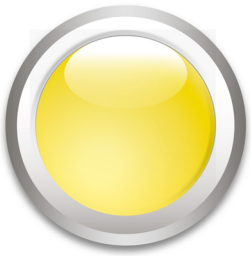
With the button discreetly integrated into the article, you can easily switch the light on and off.

Philips bulb(s) included
This lamp comes with Philips light bulbs, offering you the best light quality and effect to match your lamp.

Saves up to 80% energy

The big advantage of fluorescent lighting is its energy efficiency. A fluorescent lamp consumes just one fifth of the energy of a conventional bulb. That means installing Philips fluorescent lighting in your home to replace standard bulbs will reduce your lighting electricity bill by around 80%!

Warm white light effect



Warm white light effect
