Table hook

Compact, portable table hook – perfect to always carry in your bag. If you don't have a hook near your desk or when you're on the go, our table hook is the perfect accessory. It easily folds out and fits all tables, and takes up minimal space when not in use.

Advantages of the table hook

Our table hook easily folds out and attaches to the edge of the table without any installation, so it can be conveniently moved and removed as needed. Perfect for hanging your Active standing mat when not in use, or your bag, backpack, or anything else you want within easy reach—whether at your workplace or at a café.
