Ortronics

Clarity 48-Port, 2RU Shielded High Density Jack, Unloaded Angled Panel - Black

Part No. PSDHDJSU48

Shielded Clarity flat panels utilize a rear loading design to help direct cords with greater ease to vertical rack or cabinet management within a lower profile. This design provides an improved alternative for applications that do not offer rack space for horizontal management. Rugged rear cable management is supplied to support best cabling practices. Industry leading protection against EMI is provided when paired with Shielded Clarity High Density Jacks. The Shielded Clarity panels are available in Black or White with options of angled or flat face and densities to support up to 48 ports in 2RU.

Features & Benefits

High density design: Maximizes use of rack/cabinet real estate

Rear management bar and straps included: Supports good cabling practices

HDJ jacks and adapters mount quick, easily and securely: Speed of install and reliability

Specifications

General Info

Product Line	Ortronics	Color	Black
UPC Number	662875020127	Country Of Origin	Mexico
Application Sector	Commercial/Industrial	Type	Panel

Additional Information

RoHS Conformant	Yes
