PHILIPS

Smart Dial Switch, Convenient Controls, Dimming, Rechargeable Battery

Smart accessory

- Customisable buttons
- Wall-mountable and remote
- Works without Wi-Fi

8721103136039

All-in-one switch

Control your lighting effortlessly with a sleek smart dial switch featuring a smooth rotary control for on/off and dimming, plus two programmable buttons for instant access to your favourite light modes. Customise the buttons in the WiZ app to create personalised shortcuts, then mount the compact base on the wall or detach the magnetic dial for portable, wireless control whenever you need it. The switch communicates directly with your lights, so it works reliably even without Wi-Fi, while a subtle LED ring shows when lights are active or when the USB-rechargeable battery needs a boost. Easy to set up using the WiZ app and fully compatible with all Connected by WiZ products.

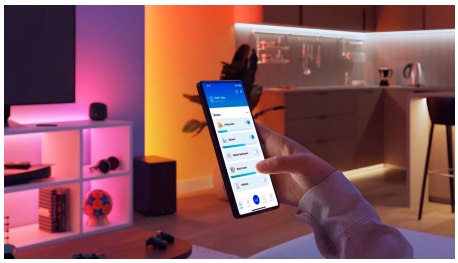
Easy setup
- Setting up couldn't be easier

Smart control
- Wide range
- Connected by WiZ
- Customisable scenes

Form factor
- Convenient controls

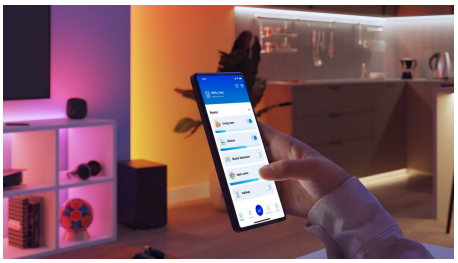
Highlights

Setting up couldn't be easier



Download the WiZ app, connect your device to the power and then connect it to your Wi-Fi network. And now you can start using it!

Connected by WiZ

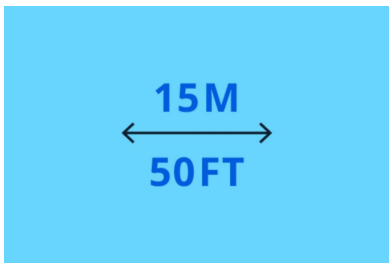


Control your lights using the WiZ app, accessories or voice commands via your smart home assistant; compatible with Alexa and Google Home.

Customisable scenes

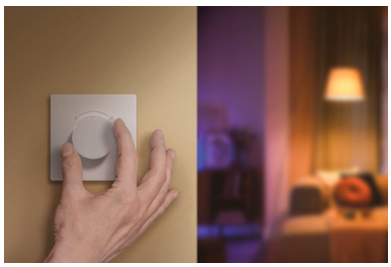
For extra convenience, you can customise four lighting scenes in the WiZ app. Alternate between your perfect ambience with a short-press or long-press.

Wide range



Control lights and devices within a range of 15 metres in any normal indoor environment with partitions and walls.

Convenient controls



Mount the base anywhere and detach the remote for wireless lighting control whenever you need it.
