Ortronics

Clarity 48-Port, 2RU Shielded High Density Jack, Unloaded Angled Panel - White

Part No. PSAHDJSU48-W

Shielded Clarity angled panels utilize a unique recessed angle design to help direct cords with greater ease to vertical rack or cabinet management within a lower profile. This design provides an improved alternative for applications that do not offer rack space for horizontal management. Rugged rear cable management is supplied to support best cabling practices. Industry leading protection against EMI is provided when paired with Shielded Clarity High Density Jacks. The Shielded Clarity panels are available in Black or White with options of angled or flat face and densities to support up to 48 ports in 2RU.

Features & Benefits

- High density design: Maximizes use of rack/cabinet real estate
- HDJ jacks and adapters mount quick, easily and securely: Speed of install and reliability
- Recessed angle design: Directs cords to vertical rack or cabinet management with greater ease within a lower profile
- Rear management bar and straps included: Supports good cabling practices

Specifications

General Info

Product Line	Ortronics	Color	White
UPC Number	662875020196	Country Of Origin	Mexico
Application Sector	Commercial, Industrial	Warranty Type	5-Year
Type	Panel		

Dimensions

Product Width US	19.0 in	Product Depth US	7.5 in
Product Height US	3.48 in		

Additional Information

RoHS Compliant	Yes

Technical Information

Compatibility	HDJ	Rack Units	2
Shielded/Unshielded	Shielded
