

LENOVO DEVICES THAT ARE A CLASS APART

ThinkBook combines the style and user experience of consumer devices with the security and business-class support of ThinkPad.

ThinkBook 14 G4 IAP

Smarter technology for all

Lenovo

Modern professionals who work from more than one location will experience optimum productivity in this sleek and powerful 14” laptop. It has a sophisticated design with dual-tone metal top cover and is powered by up to 12th Generation Intel Core i7 Processor with onboard Intel UHD and discrete NVIDIA GeForce graphics; with Wi-Fi 6 support and an all-day battery, the mobile workforce can stay connected and socially updated all the time, from anywhere.

REASONS TO BUY

The 14” FHD display with up to 100% RGB color gamut delivers lifelike images. Attend calls with optimum clarity and without any disruption, thanks to the Dolby Audio speakers with AI-based noise-cancelling microphones. The TÜV Rheinland low blue light certification protects the eyes from strain.

Equipped with a range of ports, such as Thunderbolt 4 port for ultra-fast transfer of large files. Connect up to 3 external monitors and other peripherals through onboard HDMI and USB-C ports.

Touch style fingerprint reader on smart power button authenticates the user, while web camera shutter protects privacy during calls or meetings.
