Highlights

Micro-USB cable included
The included micro-USB to USB 2.0 cable is for use with mobile phones, digital cameras and other portable devices with a micro-USB connection. Carry it with you, keep it at your desk, or replace a cable you've lost so you're always able to connect and charge when you need to.

Spare or replacement cable
Keep the USB cable on hand to ensure you're always ready to upload content, update your device, or charge via a USB source.

Works with your USB chargers
Works with any of your existing USB-based power sources – wall, auto or computer – for convenient charging when you need it.
