- Perfect in-ear seal blocks out external noise
- Small efficient speakers reproduce precise sound with bass

Use them for longer
- 3 interchangeable rubber ear caps for optimal fit in all ears
- Ultra-small for snug comfy in-ear fit

PHILIPS

Features

For optimal fit in all ears

With a choice of 3 interchangeable ear caps from size small to large, there is sure to be a pair that makes these Philips earphones fit your ear perfectly.

Handy 0.6m USB charging cable

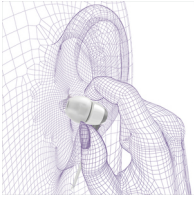
Perfect in-ear seal

The Super-small speaker drivers of these Philips earphones fit comfortably inside the ear, and thanks to the exceptionally snug fit the outside noise is sealed out for a high-intensity listening experience.

Small efficient speakers

Small efficient speakers for Philips earphones ensure an exact fit and deliver precise sound with powerful bass, ideal for your listening enjoyment.

Ultra-small in-ear



Ultra-small, lightweight in-ear design for best fit in smaller ears, for many hours of listening.

Wireless music and call control

When it comes to endless music listening pleasure and hassle-free switching between music and calls, simply nothing beats Bluetooth! To enjoy your favourite hits, simply pair up your Philips headset with your Bluetooth-enabled smart phone or tablet. A tap on each earshell's intuitive control is all that's then needed to lower volume or pause a song while you handle incoming and outgoing calls.
