Wall light

45588/87/16

Living joyfully in the moment

Contemporary lighting for today's life

Let the beauty of light work its magic in your living space. This slim glass wall light with beautiful decorative patterns radiates an intimate and soothing atmosphere. You can dim the light to create a cosy ambiance.

Benefits

Curved shapes for perfect harmony
- Timeless materials

High light quality and strong light output
- Diffused warm white light
- Adjustable light intensity with dimmer switch
- Energy saving

Features

Timeless materials

The use of metal and glass gives a neutral and elegant look to your home. Solid, uncomplicated materials appeal to every contemporary mind.

PHILIPS

Diffused warm white light

This light uses the latest energy-saver lamp technology by Philips to provide a flood of warm white natural light. Its diffused light will illuminate your room with warm white light, allowing you to combine functionality and respect for the environment. Diffused light is perfect for general illumination.

Energy saving

This Philips light conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

Dimmable

Adjust the light intensity of this Philips light with a dimmer switch (not included).This makes the light ideal for highlighting a feature or creating an ambience for any occasion, whether a cosy meal à deux or chilling out with family and friends in your living room.
