Highlights

Manual temperature control

Temperature control knob to deliver maximum flavour for your drinks.

Power cord winder

The cord can be wrapped around the base, so that the kettle is easy to place in your kitchen.

Multi safety system

Multi safety system against boil-dry, with auto switch-off when ready

Water level indicators

Easy-to-read water level indicators on both sides of the Philips electric kettle for left- and right-handed use.

Illuminated water window

Kettle body radiates an elegant blue light once the kettle is switched on.

Anti-calc filter

Anti-calc filter for a clean cup of water and a cleaner kettle.

Cool wall for a safe touch

Flat heating element

The stainless steel concealed element ensures fast boiling and easy cleaning.

Hinged lid

Hinged lid with large opening for easy filling and cleaning, also avoiding contact with steam.
