# Highlights

## Timeless materials
The use of metal and glass gives a neutral and elegant look to your home. Solid, uncomplicated materials appeal to every contemporary mind.

## Diffused warm white light

This light uses the latest energy-saver lamp technology by Philips to provide a flood of warm white natural light. Its diffused light will illuminate your room with warm white light, allowing you to combine functionality and respect for the environment. Diffused light is perfect for general illumination.

## Energy saving

This Philips light conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

## On/off switch on cable

With the switch discreetly integrated into the cable, you can easily switch the lamp on and off.
