Case Logic Reflexion™ Collection

DSLR + iPad® Backpack

FLXB-102

This trendsetting backpack defies the typical camera case by offering depths of protection in a cushioned pod with adjustable storage walls and also transforms easily into a modern, casual carry-all. Backpack features a protective stash pocket for your tablet and removable camera pod stores DSLR camera, 1-2 additional lenses or flash and accessories.

Product Features:

1. Removable, cinch-top pod with adjustable walls and handles offers dedicated storage for your DSLR camera, 1-2 additional lenses or flash and accessories
2. Integrated storage pocket for your iPad®
3. Split-pack opening allows easy access to camera or iPad® and doubles as a preparation platform
4. Easily transform DSLR bag into a casual everyday backpack– simply remove pod to create space for books, headphones and other daily essentials
5. Oversized zippers and wire-mouth opening allow smooth, quick entry to roomy top compartment for books, gym gear or snacks plus additional zipper pocket for small valuables

Patent Pending – Wire Mouth Opening
