- Handset speakerphone allows you to talk hands-free
- Up to 30 min. message on your answering machine

Eco-designed

- Zero power emission when ECO+ mode is activated

PHILIPS

Features

Comfortable handset cans

Durable and glossy outer shell

Hassle-free charging

Smooth and calibrated keypad

Superb sound quality

Smart cable management

The smart cable management system cleverly hides the wires from sight. Intelligently designed concealed sockets and an internal cable guide ensure everything is clutter-free and neatly tucked away.

100-name phone book

Always have the phone numbers of your loved ones available: Save up to 100 favourite contacts in your phonebook.

2-line graphical display

Handset speakerphone

Hands-free mode uses a built-in loudspeaker to amplify the voice of the caller, allowing you to speak and listen during a call without holding the phone to your ear. This is especially useful if you want to share the call with others or simply multitask.

ECO+

Zero power emission when ECO+ mode is activated

Beautiful from every angle

Up to 30 min. recording

With up to 30 minutes recording time, you'll never miss an important message.
