46677577087

Easy smart lighting

Get the classic look of a vintage bulb in a smaller size. The Filament candle bulb has a coiled inner filament and E14 base, perfect for bringing warm-to-coll white light to small fixtures where you want vintage style with a modern twist.

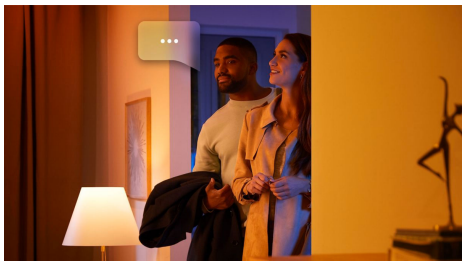

Easy smart lighting

- Control lights with your voice*
- Control lights with your voice*
- Unlock the full suite of smart lighting features with the Bridge
- Set the right mood with warm-to-cool white light

Issue date: 2026-08-05 Version: 0.253

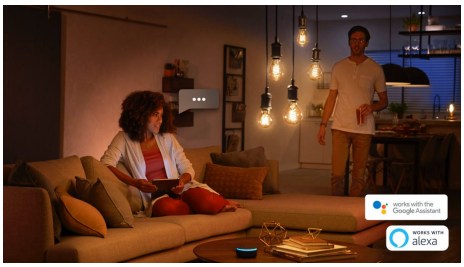

Highlights

Control lights with your voice*

Philips Hue works with Amazon Alexa and the Google Assistant when paired with a compatible Google Nest or Amazon Echo device. Simple voice commands allow you to control multiple lights in a room or just a single lamp.

Control lights with your voice*

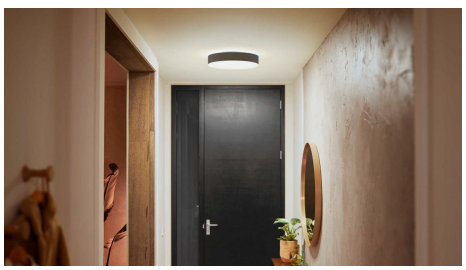

Get hands-free control of your lights and use your voice instead! Simple voice commands allow you to control multiple lights in a room or just a single lamp. *Works with the Google Assistant and Amazon Alexa.

Unlock the full suite of smart lighting features with the Bridge

The Bridge unlocks the features that make smart lighting truly smart — away-from-home control, voice control, automated lighting, and much more. Add a Bridge to your setup to create immersive experiences, tap into technology that's secure and reliable, and more. The Bridge is the key to smart lighting like you've never seen before.

Set the right mood with warm-to-cool white light

Choose from over 50,000 shades of warm-to-cool white light to create the perfect ambiance in your home for each activity and time of day. Use bright, white light each morning to start the day energized and alert, or match your evening wind-down routine with a dim golden glow.
